

# Looking to Grow Your Leadership Skills?

For the fifth consecutive year, the California Planning Roundtable and APA California will be conducting the Leadership Academy. This on-line program was developed to help planners define and hone their leadership skills, advance their careers, and make a positive impact in their communities. Learn from experienced senior-level planning professionals across California in this low-key, highly interactive, six-month series.

## Benefits of Participating

Discover what kind of leader you can be. Self-aware leaders know how to communicate ideas and vision to community members and colleagues. Working in small cohort groups, you will learn specific, practical strategies that can be implemented at your organization immediately. Sessions will help you:

- » Articulate your personal leadership philosophy
- » Build a high-performance team
- » Align and accomplish organizational goals
- » Strengthen your influence

The program will include CliftonStrengths assessments for all participants.

## 2025 Program Schedule
